

PROVADA FUTURE

Where PropTech meets Real Estate

PROVADA Future & Smart Building Collective

PROVADA FUTURE is the platform for technological innovations and inspiration for the real estate sector.

The 2024 edition offers a special area for smart building solutions. Together with our partner *Smart Building Collective (SBC)* we will present an inspiring three-day program. Being or becoming a member of SBC is not mandatory, but does offer a number of benefits.

For more information about PROVADA Future, contact John Schreuter at [+31 646222441](tel:+31646222441) or john@provada.nl.
